

GRAPEVINE COMMUNICATOR

The scalable, multi-channel communications solution providing businesses with the power to have meaningful conversations.

Does any of the following statements sound familiar?

- * It's too hard to offer relevant offers and content to my customers.
- * Making sure my sales force have the latest price lists is difficult.
- * I can't access a single view of customer data across channels.

INCREASE YOUR REACH

Reach all recipients regardless of their location, mobile device or channel preference.

ENGAGE WITH RICH CONTENT

Send messages in the form of images, videos, brochures, vouchers, surveys, documents etc.

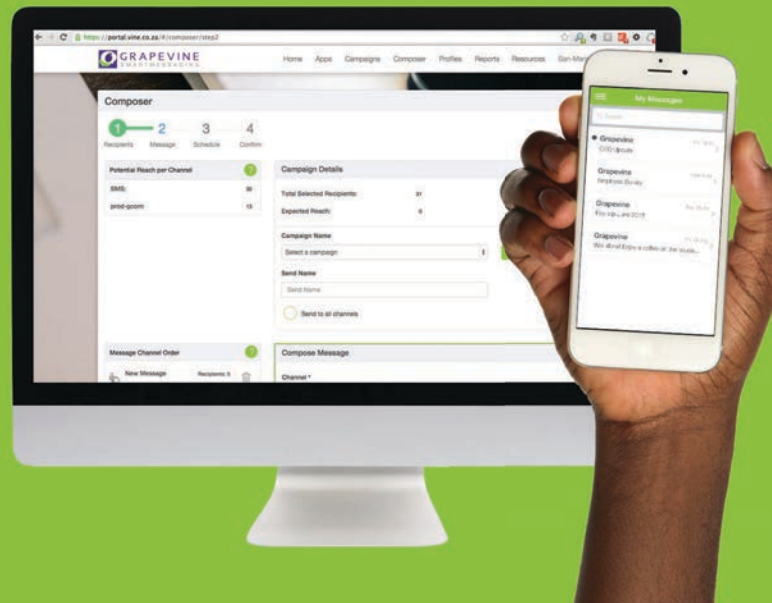

MEANINGFUL CONVERSATIONS

Enable two-way communication across multiple channels and devices.
